RESPONSE TO INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On November 8, 2005, an Interview Summary was mailed in which the Examiner stated that claims 27 and 28 were directed to non-statutory subject matter (Section 101 or 35 U.S.C. §101) and that correction is required.

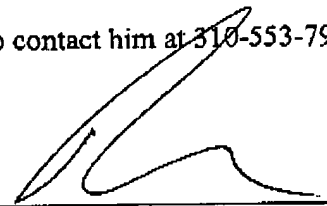

Applicants dispute this finding because in the Notice of Allowance dated June 23, 2005, the Examiner entered an Examiner Amendment, which I authorized, to amend the claims, including claims 27 and 28, according to an attached listing of claims. In this Examiner Amendment, claims 27 and 28 were amended to recite that the article of manufacture comprises "a storage medium storing" code. Applicants submit that the Examiner entered this amendment to address his Section 101 concerns. Thus, Applicants submit that no further amendment is necessary as the Examiner already made the amendment in the Examiner Amendment submitted with the Notice of Allowance.

Serial No. 09/769,611
Docket No. SJO920000171US1
Firm No. 0037.0011

The attorney for Applicants invites the Examiner to contact him at 310-553-7977 if he has any further questions on this matter.
